

**Belle Meade Country Club
Nashville, Tennessee**

Owner's Representative:
Mr. Jimmy Perkins
Nashville, Tennessee

Architect:
Gresham Smith and Partners
Nashville, Tennessee

Construction Duration:
6 months

Contract Amount:
\$519,804

Project Description:

The Belle Meade Country Club project consisted on constructing a new 9 ½ Hole restaurant, an exterior patio, and interior renovation to accommodate their new exercise facility. Construction lasted six months and the certificate of occupancy was issued in June, prior to the club's annual 4th of July Celebration. Attention to detail was a must for the project manager to maintain the elegance and grandeur of the hundred year-old building and grounds. Overall, the project required close communication between owner, builder, and architect.
