Owner's Representative:

Mr. David Felts, AIA  
Vanderbilt University  
Campus Planning & Construction  
Nashville, Tennessee

Architect:

Alpha Three Group  
Hermitage, Tennessee

Construction Duration:

15 weeks

Contract Amount:

\$261,259

Project Description:

This project was completed in August 2000. The project included installation of a new residential sprinkler system and fire alarm system, addition of a new mechanical room and the complete replacement of the mechanical system. The corridors were modified and upgraded with the addition of firewalls and the replacement of doors to improve paths of egress.
