

**Southern Plastic Surgery
Nashville, Tennessee**

Owner's Representative:
Stephen M. Pratt, M.D.
Nashville, Tennessee

Architect:
Hastings Architecture Associates
Nashville, Tennessee

Construction Duration:
5 months

Contract Amount:
\$383,441

Project Description:

This project of 3,600 square feet included the complete demolition of the existing office space and reconstruction of an outpatient surgery center and medical office. The project included the complete replacement of the mechanical systems, installation of fire alarm and security systems and the compliance with strict fire and building codes. Wieck Construction, L.L.C. worked carefully with the owner and architect during design to ensure that the project could be built within the owner's budget.
