

**West Meade Wine & Liquor  
Nashville, Tennessee**

Owner's Representative:  
Mr. Nick Varallo  
Nashville, Tennessee

Architect:  
Hasting Architecture Associates  
Nashville, Tennessee

Construction Duration:  
5 months

Contract Amount:  
\$230,000

**Project Description:**

This project involved the combination of two different retail spaces into one larger store and the complete renovation of each. Significant preconstruction services were provided to study the various options and design schemes. Exterior walls were removed from each building and a connecting space was built. The exterior facade was modified to provide a new upgraded image. The existing liquor store remained in business with no slow down in sales during the entire construction period.
